836 548 contentedly. She lay beside her preferred man, entirely at ease under the red coverlet, and both were cracking palm nuts. One day we saw Moguyokuri goading the young men to adorn Maria, who was so wild in the wrestling bout and now so humble. Six of them immediately pounced on her and painted her.

The ranchão women were given arrows with long bamboo points by their lovers. Each one presented two, which the girl accepted, squatting, with an indifferent expression. Once when I was present, I counted 18 such love arrows for one girl. They [602] are delivered to the brother or to the brother of the mother. ●[851] The ranchão girls no longer marry an individual; if there are children, all the men of the ranchão with whom she has had intercourse are regarded as the fathers. These are entirely regulated [561] [439] conditions which result from the superior power of the older ones; they possess and receive from the girls who are handed over to the men's house, and on whose account they may reach an agreement, a regular income of arrows or ornaments, such as, for example, the suspender strings, which are also considered 838 payment. Pederasty is said to be not unknown in the men's house, but to occur only if the shortage of ranchão girls is unusually great.

224 We have already seen how well regulated property conditions are by the circumstance that the hunting booty does not remain 768 in the hands of the one who captured it. It is a great loss for the family when a member dies. For everything that was used by the deceased is burned, thrown into the river, or packed into the bone-basket, so that he will under no circumstance have occasion to come back. The hut is then completely cleared out. [431] The survivors, however, are presented with new things; bows [825] and arrows are made for them, and custom has it that when a [802] jaguar is killed the skin is given "to the brother of the woman who has most recently died or to the uncle of the man who has 593 most recently died." The brother of a woman was always pointed out to us as her chosen protector. Arrows are the most 436 important object of value; they are given to the brother /503/ of the ranchão girl or to the jaguar killer; they are the equivalent of tobacco and cotton in barter.
